NEWS

Congratulations to David Herring who successfully completed the Great Cycle Challenge raising \$880 for children's cancer charities. Great achievement David.

Holroyd Rotary Club will be here next week and they will participate in the Tranquility Garden project at Ainslie Low Head. As you can see from the picture (left) the project is well on the way. Holroyd have a busy program including a trip to Burnie to visit Woolmers Estate. Many thanks to Rotarians Chlo Martin and Graeme Johns for providing accommodation for our Holroyd Club visitors.

Member Profile Diane Duggan

Diane works at Bell Bay Aluminium and has been in Rotary for three years.

Where were you were born? Nottingham in England

Tell us about your family? Michael and I have two boys; Lee lives in Launceston and Tony lives in Cairns with our daughter in law Meg and our three grandchildren Kahlan (7), Oliver (5) and Joshua (2) .

What did you want to be when you were growing up? I wanted to be a nurse but a trip to the LGH for work experience put me off, I was afraid of seeing peoples insides—now I love watching documentaries showing real life operations.

Who is your role model? Bette Midler, Michelle Obama, Ricky Gervais —strong successful people with a kind heart and the courage to say what they think.

Three things on your bucket list? To be at my grandchildren's graduations and weddings; to be able to travel for at least 3 months of the year; to die in my own bed.

Your favourite travel destination? New York or London—I love the buzz of the big city.

Favourite meal? Lobster thermidor.

What sort of music do you like to listen to? The score from Les Miserable, Adele, Coldplay.

The greatest life lesson you have learned? That the things we worry about today will not be a worry to us in 6 or 12 months time. It all works out in the end.

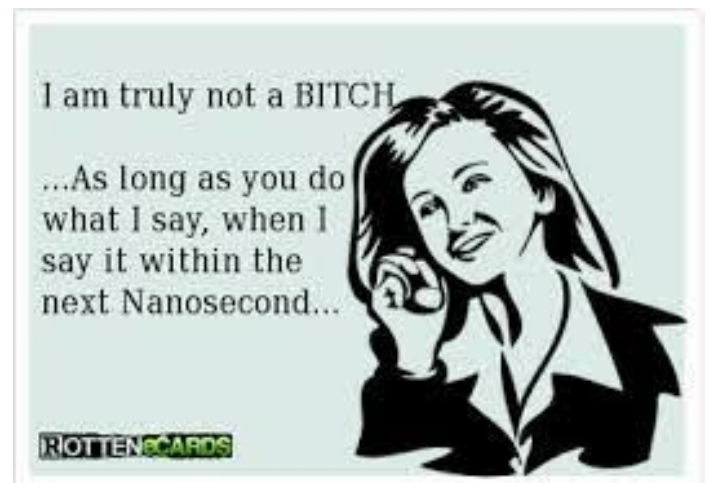

Craziest thing you have ever done? I went to a Catholic school progressive dinner dressed as a nun.

The first person you had a crush on? David Cassidy, Bobby Sherman and David Bowie—probably all about the same time.

You have a million dollars, what do you do first? Book a first class round the world holiday for the family.

Tell me something about you that nobody else knows. I hate walking into a room with people I don't know—I find it really hard to make small talk with strangers.

When you are not working or volunteering with Rotary what do you like to do? Walk, internet shopping, read, go out for a meal and spend time with friends.

NOTICE BOARD

COME SUPPORT Spit Roast FOR Camp for Kids

Prison Fellowship Australia provides many forms of support for those in Prison and their families. One of these services is **Camp for Kids** (Just starting in Tassie). This provides children of prisoners a great opportunity to receive encouragement in a camping environment.

A **Spit Roast with salads and desserts** will be held at Rob and Val Colgrave's property (**208 South Street**) on **Sunday the 15th of November at 1pm** to raise funds for children so that they can attend these camps. Come and support this very worthy cause for kids in our communities .

YOU HAVE TO LOVE A GOOD NURSE...

A policeman was rushed to the hospital with an inflamed appendix. The doctors operated and advised him that all was well, however, the patrolman kept feeling something pulling at the hairs in his crotch. Worried that it might be a second surgery and the doctors hadn't told him about it, he finally got enough energy to pull his hospital gown up enough so he could look at what was making him so uncomfortable. Taped firmly across his pubic hair and private parts were three wide strips of adhesive tape, the kind that doesn't come off easily -- if at all. Written on the tape in large black letters was the sentence, Get well soon, from the nurse in the Ford Explorer you pulled over last week.

Service Above Self

Rotary Grace

For good food, good fellowship and the privilege to put service above self may the Lord's holy name be praised. Amen.

The Four Way Test

Of the things we think, say or do:

Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOODWILL and BETTER FRIENDSHIPS?

Will it be BENEFICIAL to all concerned?

The Object of Rotary

The object of Rotary is to encourage and foster the ideal of service as the basis of worthy enterprise and in particular, to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business & professions; the recognition of all useful occupations; & dignifying of each Rotarian's occupation as an opportunity to service society.

The application of the ideal of service in each Rotarian's personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional persons united in the ideal of service.

National Anthem

Australians all let us rejoice, For we are young & free
We've golden soil and wealth for toil, Our home is girt by sea,
Our land abounds with nature's gifts, Of beauty rich and rare,
In history's page, let every stage, Advance Australia Fair.
In joyful strains, then let us sing, Advance Australia Fair.
